Assembly Instructions

Kit includes: base, bottom pocket and support, top two pockets and support, canvas bag

1 Take the bottom pocket and support (A), align over the two protruding tubes in the base (B).

2 Whilst compressing the spring loaded locator pips, slide the tubes onto the base. The locator pip will click through the holes in each tube.

3 Take the top two pockets and support (C) and slide into the the bottom pockets. Again compress the spring loaded locator pips and slide the tubes together.

Other products in our literature holder range include:
